Proposed changes in Rate Ordinance

- New effort by SCL for Utility Discount Program focuses on using affordable housing agencies for enrollment certification
- Benefits?
 - Many customers in affordable housing agencies meet current criteria for UDP
 - Eliminates the need for multiple applications and multitudes of paperwork
 - Speeds up and simplifies enrollment process

Process for Certifying Affordable Housing Agencies

- Identify Non-profit affordable housing groups
- Must meet federal and or state guidelines for low income operations
- Secure signed agreement between SCL and each agency
- Periodic audits
